The Information We Collect

While registering campers online Science Camps of America, Inc. collects personal information. This includes, but is not limited to, your name, address, phone numbers, email, and credit card information, as well as the following camper information: name, birthday, age, gender, grade completed, school attending and email.

The Way We Use Information

Science Camps of America will not sell, rent, or distribute any collected information to any third parties. Information collected is for business purposes only and is used solely by Science Camps of America.

Science Camps of America sends periodic emails to user's email address(es) for account information and camper email(s) for camp and related news. Campers may opt out of these emails by clicking the subscription link at the bottom of any email; however, parents must keep a working email address on file for proper account maintenance.

Data Security

Science Camps of America uses CampNetwork.com to collect your data necessary to complete registration. Your security is important to us. CampNetwork.com uses SSL (Secure Socket Layer) encryption to secure personal information on the payment pages. In addition, personnel who have access to our database are trained to maintain and secure all information.
